David Brown: "20/40"

David Brown makes art with his iPhone

BY OLIVIA FLORES ALVAREZ

Apple Inc. ought to be paying David Brown for his "20/40" photography exhibit, since he shot all of the images in the exhibit with his iPhone. That's not a big deal, right? Well, actually, when you get high-quality, expressive images like Brown did, ah, yeah, it kinda is a big deal (hence the "they should pay him" bit). Brown shot scenes around Houston, everyday images that he saw as he went through his normal day of family and work chores. The end results remind us that photography isn't just about point-and-shoot, even if you're shooting with your iPhone. 6:30 a.m. to 8 p.m. Mondays through Fridays, 8 a.m. to 6 p.m. Saturdays and Sundays. Catalina Coffee, 2201 Washington Avenue. For information, call 713-416-2633 or visit [www.dabfoto.com](#). Free.
